

MOVING CHECKLIST

2 MONTHS BEFORE MOVING

- Build a budget for moving expenses.
- Create a moving binder or online folder to store quotes, receipts, and your moving schedule.
- Prepare your children for their new school and transfer transcripts.
- Hold a garage sale to sell belongings you don't want to move.
- Review floor plans and measure furniture for the new home.
- Inform your moving company of any specialty or large items.

1 MONTH BEFORE MOVING

- Collect moving boxes and label them by contents/room.
- Pack items you don't use frequently.
- Request time off work for moving day/weekend.
- Transfer or set up utilities at your new home.
- Update your address with financial institutions.
- Contact medical professionals to transfer records and request recommendations near your new home.
- Check if homeowners insurance transfers to the new address.
- Notify the post office and subscription services of your change of address.

2 WEEKS BEFORE MOVING

- Return borrowed items (library books, tools, movies, etc.).
- Collect any items you've lent to others.
- Review and organize all moving-related receipts.
- Empty your safe deposit box and collect important items.

1 WEEK BEFORE MOVING

- Clean your home thoroughly (especially important for rental properties).
- Defrost and clean the refrigerator.
- Pack suitcases with enough clothes for the week.
- Check the weather forecast for moving day.

1 DAY BEFORE MOVING

- Finish all packing and create a moving day bag (include essentials, valuables, jewelry, prescriptions)
- Do a final clean of the home.
- Confirm the weather forecast for moving day.
- Review the moving schedule with family and confirm mover arrival time.

MOVING DAY

- Check each room one last time (closets, drawers, cabinets).
- Leave a welcome card for the home's new residents with local recommendations.
- Lock all windows and doors, turn off lights, and secure the home.
